

The Greater Lansing (Michigan) Orchid Society

The Greater Lansing Orchid Society (GLOS) was formed in 1977 to create an awareness of orchid culture; to foster the preservation of native species of orchids; to support research and development of orchid culture; and to hold meetings, lectures, and exhibitions.

The Society meets most months either via Zoom, in person at the 2/42 Community Center in Okemos, or a combination of both.

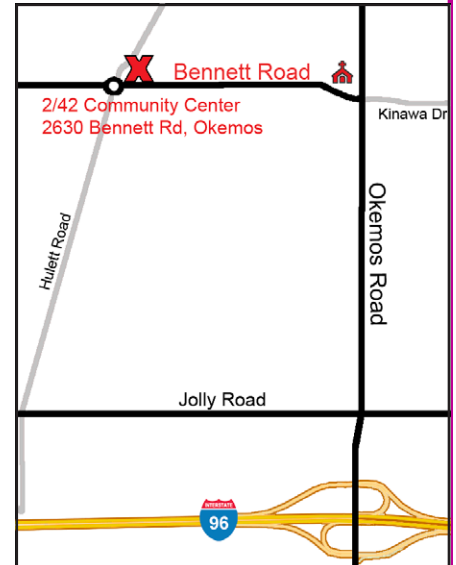

Typical meetings include:

- a guest speaker
- orchids for sale
- orchid raffle
- silent auction
- members' orchids display
- refreshments

We have about 90 members with varying levels of orchid-growing experience and growing conditions: windowsills, under lights, greenhouses.

If you have questions about growing orchids or want to share your experiences, join us!

For more information, please contact:

GLOS activities include:

- our annual Orchid Show and Sale
- our newsletter, *The Calypso*
- study groups
- conservation work
- field trips

Join us! All are welcome!
